

May 2009,

Dear Student:

Thank you for your interest in the YouthWorks Council. All the application materials you will need to apply for the 2009-2010 Council year are included here.

The Youth Council is an official governing body of The Memorial Foundation serving the healthcare needs of Yakima. Its members will be expected to attend regular meetings of both the full Council and its committees, along with their volunteer position.

The Council meets monthly year around, September-August. Currently meetings are held at Memorial Hospital's Tieton House the second Tuesday of the month from 4:00-6:00pm. Committees meet as needed for planning and discussion at the convenience of their members.

As a Youth Council Member, you can expect:

- To represent the YouthWorks programs you participate in at meetings and discussions.
- To represent YouthWorks, Memorial Hospital, Children's Village and The Memorial Foundation to your community and your school
- Learn in-depth about philanthropy through hands-on experiences of grant writing, allocations and observing a Memorial Foundation board meeting.
- Meet needs in your community in relation to children's healthcare, by providing assistance with fundraising and grant funding.
- To interact with students from several grade levels and schools
- Plan ways to recognize the volunteer efforts of fellow students.

To apply for the 2009-2010 Council year, please complete the attached application form and give the reference forms and reply envelopes to two people.

All materials need to be returned to advisor, Mary Lynne Brewington, by Friday, June 26th 2009.
