Dear Ms. Rhea, Ms. Loudon and Ms. Berdan:

On behalf of Cribs for Kids® we would like to extend our congratulations to **Virginia Mason Memorial** for achieving the level of **Silver Safe Sleep Leader** in the National Safe Sleep Hospital Certification program.

Your hard work has not gone unnoticed. You have demonstrated a commitment to community leadership for best practices and education on infant safe sleep through the development of a hospital policy, staff training, parent education, modeling through a wearable blanket program, and a pledge to participate in ongoing audits.

Please know that we are here to assist you as you continue your program. If you have any questions, need educational materials, or just want to share your successes, please contact Tiffany Price, Director of Hospital and Community Initiatives at 412-322-5680 Ext. 112 or tprice@cribsforkids.org.

Again, congratulations on a job well done. Babies in your care will be given every opportunity to celebrate their first birthdays.

Sincerely,

Judith A. Bannon
